

# Morocco Verification of Conformity Program

## Activate your business with our smooth and reliable VOC services

In order to protect the consumers in Morocco from substandard products and to assure safe and quality approved products enter the Moroccan market, the Moroccan Ministry of Industry, Trade, Green and Digital Economy (MICEVN) has implemented a Verification of Conformity (VOC) program starting 1st of February 2020 in line with law 09-24 and the decree No. 212-02 and decree No. 13-3873.

The VOC program requires that consignments falling under the list of regulated products are accompanied by a Certificate of Conformity to prove compliance to the national quality & safety regulations.

TÜV Rheinland is an authorized inspection body for the Moroccan VoC program by (MICEVN) to issue Certificates of Conformity. We are a recognized partner accredited to provide you reliable services surrounding VoC Certification for Confidently placing your products on the Moroccan market.
